Ability Profile (continued)

Analysis

Verbal Reasoning (V1)

Time Taken: 19m 41s

81 %ile

The Verbal Reasoning test evaluates a candidate's ability to interpret written information.

Taking into consideration the number of questions answered correctly compared to the selected comparison group, Jayne has shown a verbal reasoning ability which is greater than 81% of her peers.

Jayne completed this test **quicker** than the recommended time of **24 minutes**.

Verification

It appears that Jayne had **no issues** when completing this test, completing the test in a single attempt.

Numerical Reasoning (N1)

Time Taken: 22m 41s

67 %ile

The Numerical Reasoning test evaluates a candidate's ability to interpret numerical information.

Taking into consideration the number of questions answered correctly compared to the selected comparison group, Jayne has shown a numerical reasoning ability which is greater than 67% of her peers.

Jayne completed this test **slightly slower** than the recommended time of **20 minutes**.

Verification

It appears that Jayne had an **interrupted session** when completing this test, resulting in her having **3 attempts** to complete this test. The reasons for this should be explored further with Jayne.
